The Governor's Commission on Legal Services Contracts was formed by the Governor in February 1992 (Executive Order 01.01.1992.03).

The Commission's charge was to develop and coordinate an equitable way for State government to solicit, prepare, and negotiate legal services contracts. For such contracts, the Commission was to set the standard by which cases and workloads are defined and counted and help State agencies develop and enforce contract specifications. In addition, the Commission was to formulate a policy for verifying compliance with contract specifications and make recommendations for the administration and consolidation of contracts.

The Commission submitted a preliminary report to the Governor on April 30, 1992, and a final report in July 1992.
